

FOR FOOTWEAR & SPORTS RETAIL

Shoe care shelves sell sprays and powders. Not this.

THE GAP

Most shoe odor products cover the smell.

Much of it comes from isovaleric acid. This disc removes it with plant-based essential oils only. No spray, no powder, no gas.

PROVEN IN KOREA

4.9

from 8,600+ customer reviews in Korea

Oct 2026

Also sold in pharmacies across Korea

REPEAT PURCHASE

One disc lasts about 2–3 months. Then they buy again.

A consumable for the shoe shelf.

SHELF FIT

Fits more shelves than you'd think.

Outdoor

Home & travel

Drawers

Footwear · Sports · Outdoor · Travel

It sits inside the shoe, so it works with leather and suede. Turn the case for three strength levels.

FOR PARTNERS

Ready for new markets.

- English packaging
- Made by MASSCON in Korea
- Samples
- Product photos & video
- Terms set by market

Now opening Europe.
